

International Nuclear Physics Conference 2010 Vancouver INPC

July 4 - 9, 2010

**Hosted by TRIUMF
at the University of British Columbia
Vancouver, Canada**

Conference Topics

- Nuclear astrophysics
- Neutrinos and nuclei
- Hot and dense QCD
- Standard model tests and symmetries
- Nuclear structure
- Nuclear reactions
- Hadron structure
- Hadrons in nuclei
- Nuclear applications and interdisciplinary research
- New facilities and instrumentation

Conference Chair

Jens Dilling, UBC/TRIUMF

Program Chair

Paul Garrett, Guelph

Local Organizing Chair

Byron Jennings, TRIUMF

Conference Coordinator

Sandi Miller
